SECTION 1: About Our Grants

Thanks to Frederick County's generous donors, The Community Foundation of Frederick County supports a wide variety of community interests through a robust grants program. Together, we are building a stronger, healthier, more vibrant community not only for today but for the future as well.

We offer several grant cycles, each with unique applications, funding priorities, and deadlines. This guidebook will provide an overview of these opportunities for FY25, but we encourage you to check our website (www.FrederickCountyGives.org) for the most updated information on our open grant applications. The Community Impact Department staff, who manages our grants programs, are also available for further questions at 301-695-7660 or Community.Impact@FrederickCountyGives.org.

Please note: the term "Applicant" as used throughout this guidebook refers to the organization that is applying for grant funding.

Online applications:

The Community Foundation utilizes the Grant Lifecycle Manager by Foundant Technologies as our online grants management system. Grants will only be accepted through this grants management system. Each applicant must create a user profile to store their information and for correspondence with the Community Foundation. To access an existing user profile or to create a new profile, please login here: <https://www.grantinterface.com/Home/Logon?urlkey=frederickcounty>

Please note that the Community Foundation will provide grant notifications through our Foundant system. These notifications will come from administrator@grantinterface.com on behalf of the Community Foundation. Please ensure that this email address is added to your safe senders list (or equivalent).

Nondiscrimination policy:

The Community Foundation does not discriminate in awarding grants and mandates that its grantees do not discriminate based upon the following policy statement: No person in the United States shall, on the basis of actual or perceived race, color, religion, national origin, sex, gender identity (as defined in paragraph 249(c)(4) of title 18, United States Code), sexual orientation, marital or parental status, political affiliation, military service, physical or mental ability, or any other improper criterion be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity funded in whole or in part with funds made available by the Community Foundation, and any other program or activity funded in whole or in part with funds appropriated for grants, cooperative agreements, and other assistance administered by the Community Foundation.
